SCHOOLWEAR FOR ALL

**ALL YEAR
EVERY YEAR
WE DO MORE
TO MEAN MORE
TO EVERY
VILLAGE WE'RE
A PART OF.**

It takes a village

Within every school community there is an entire “Village” of people. Each has their unique + meaningful role to play—part of something bigger than themselves, part of shaping the future, part of **helping all kids shine**.

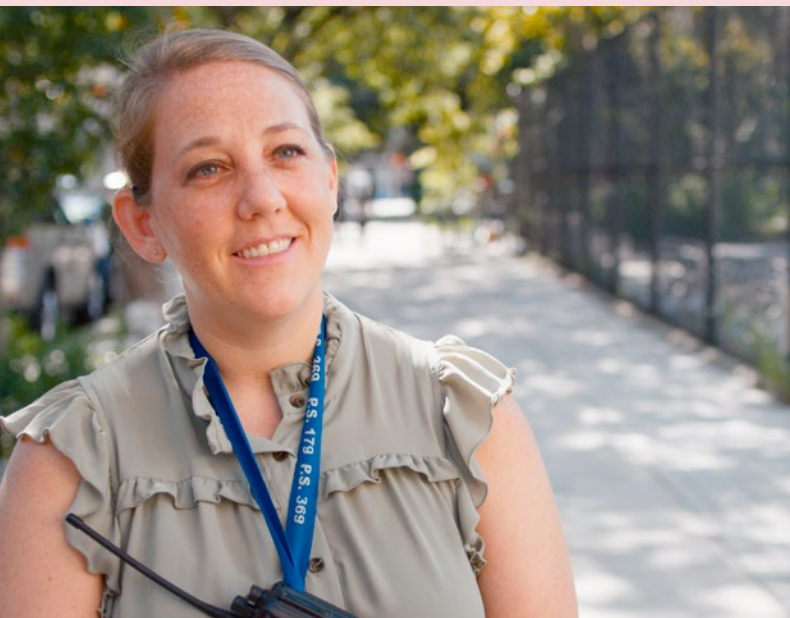

Meet some of the amazing “villagers” of Young Leader Elementary.

Mrs. Mordecai

“Everyone part of a school
community makes a positive
impact on children. Every role
is important. No one can do
this job alone.”

Mr. White

“The future is our Youth and the
key is our education, the key is
working together they key os
that we need to shift from a Me

Ms. Reid

“From beginning to end, everyone
has to have eyes on that child.
Everyone needs to take responsibility.
If something happens, you have to
jump in. My part in that village is
to make sure that that child has
three meals a day.”

Tips for Finding the Perfect Fit

It’s called growing up for a reason! With kids constantly on the grow you might not always know which size to select. All you need to find the perfect fit is a cloth measuring tape and a wall.

Measure over undergarments or fitted clothes for the most accurate results. Keep the measuring tape comfortable—not too tight and not too loose. Then, simply compare the measurements to the size charts below.

A

HEIGHT

Remove shoes, place feet together and stand straight with back against a wall. Measure from the top of the head to the ground.

B

CHEST

Stand up straight with arms raised in the air and measure around the fullest part of the chest.

C

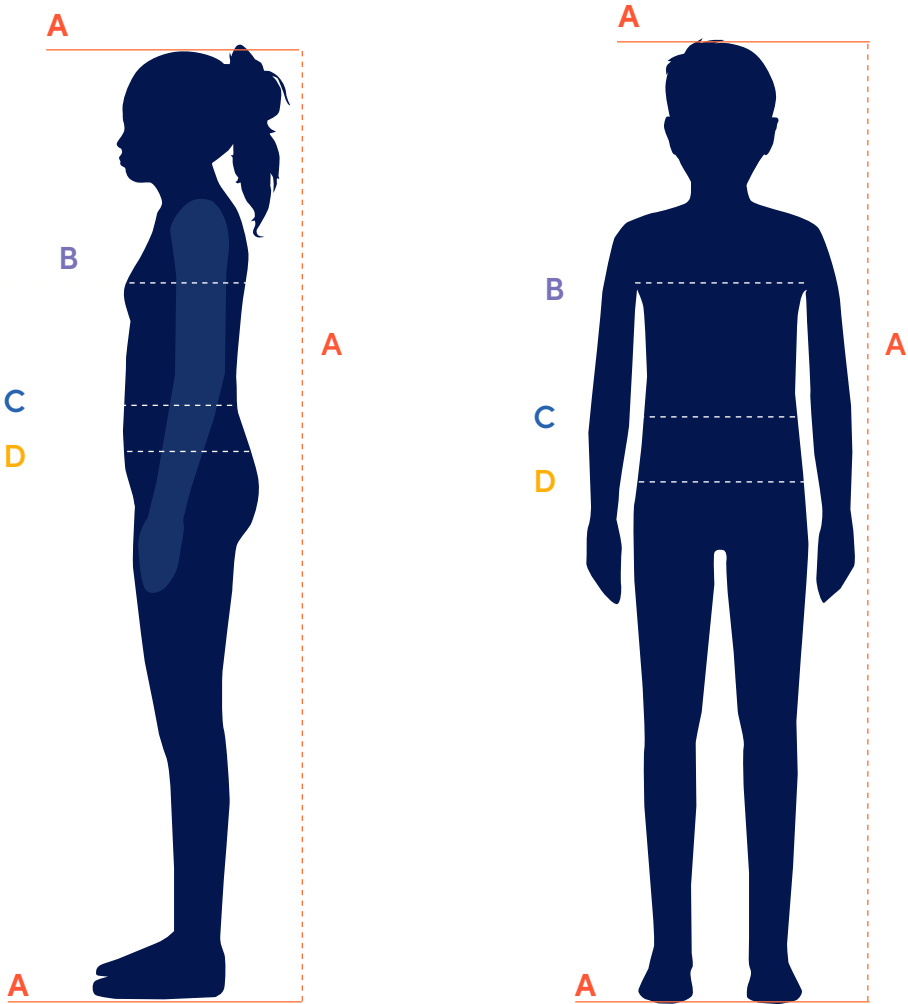

WAIST

Stand up straight and measure around the natural waistline (the narrowest area of the waist).

D

HIP

Stand with feet shoulder width apart and measure at fullest point of hips.
